1954 Price List

We are now shipping from the finest crop of African Violets (Saintpaulias) and Episcias that we have ever grown. Following is a list of these in production at the present time. These plants have been fed with liquid fertilizer and treated with sodium selenate. The 2 1/4" size are vigorous plants for repotting and growing on, mostly multi-crown, in bud or bloom if possible. These pack in cartons of either 25 or 40. The minimum order is one carton. Varieties may be assorted with no more than 8 varieties per carton of 25 or 12 varieties per carton of 40. All plants are labeled.

Many of these varieties are available in 3" and pack 25 per carton. When ordering please state if you want only the specific variety or if we may substitute when a variety is out of bloom or out of supply.

All holiday orders should be in our office THREE weeks prior to holiday, so, 'You, our customer, can receive your order in time.'

Special quotations on lots of 1000 or more.

Credit extended to established customers.

All shipments are made by Railway Express collect. In case of damage, call express agent immediately and have him fill out joint inspection report, which is used for filing your claim. This claim should be filed by you with your express agent promptly, then notify us.

SAINTPAULIAS
